Dear Parents and Guardians,

On Tuesday 15th June the Junior leaders have organised an Environmental Day. We will be working on tasks to help make improvements to our local environment. However, we need your help to make a big difference to our school greenhouse. You may have noticed that during the storms last year the greenhouse was damaged and we would like to rebuild it.

Your challenge is to start collecting 2 litre drinking bottles so that we have enough to build the green house. I have predicted that we need 50 bottles. I hope I am right. When you have finished with your 2 litre bottles at home please wash them out and then take them to school. Every morning from Tuesday 4th May there will be yellow buckets on the playground to place the bottles in.

I wonder how many bottles we can collect?

Thank you for helping me and the rest of the Junior Leaders.

We can do this!

Diego
