6D	16.6	18.5	-1.9	-1.4 Gap widened	75%	56%

As a result of effective spending, Pupil Premium children are performing well in comparison with their peers. Gaps in attainment that are wide on entry to school are closing in all subjects in most classes. In all subjects, gaps have closed in 10 out of 13 classes.

Where they are not, figures are affected by significant needs of individual pupils that impact on progress and standards.
