

Science Units 2018-2019

	Autumn Term		Spring Term		Summer Term	
	A	B	A	B	A	B
Year One	Senses	Materials	Plants – Trees	Plants – Wild and Garden	Animals	The Weather
	Seasonal Changes (1 week exploring outdoors each half term)					
	Famous scientist		Famous scientist		Famous Scientist	
Year Two	Living things & their habitats	Uses of Everyday Materials	Animals including Humans		Plants	Child Led Investigation
	Famous scientist		Famous scientist		Famous scientist	
	Grendon Garden (Y1 Plants and seasons revision, Y2 Plants)					
Year Three	Light	Rocks	Animals including Humans	Forces & Magnets	Plants	Child Led Investigation
	Famous scientist		Famous scientist		Famous scientist	
Year Four	Sound	States of Matter	Animals including Humans	Electricity	Living things & their habitats	Child Led Investigation
	Famous scientist		Famous scientist		Famous scientist	
	Grendon Garden (Y3 Plants revision, Food Chains And Habitats)					
Year Five	Earth & Space	Properties & Changes of Materials	Animals including Humans	Forces	All living things & their habitats	Child Led Investigation

	Famous scientist		Famous scientist		Famous scientist	
Year Six	Light	Living things & their habitats	Animals including Humans	Electricity	Evolution & inheritance	Child Led Investigation
	Famous scientist		Famous scientist		Famous scientist
