

WE NEED YOUR NUMBER AND CONSENT!

We are continuing to improve the way the school communicates with parents but need your help to make it work.

I am sure you can appreciate that the school needs to send you lots of information about your child, their class and the school in general, throughout the year.

We will send text messages to parents' mobile phones. This means that we can pass a message to groups of parents quickly and easily.

Nothing can replace a telephone call when it is needed and so mobile text messaging will only be used in appropriate situations. Examples of this might be:

- Changes to school meetings or events
- Cancellation of after school activities
- Class trip reminders
- School closures of any kind
- Reminders for notes when pupils are absent

It is much easier for us to get information directly to parents and be confident that the information has arrived.

This facility does allow us to ascertain whether the message has been received by your mobile phone. If it was switched off and the message could not be delivered, the system could attempt to contact you by other means.

Please provide us with *consent and details of the one mobile number you would like us to use and state which member of the family this belongs to. This will not replace any of the other emergency numbers you have provided.

To allow us to make best use of this facility, it is important that you keep us updated of changes to any of your contact numbers and email addresses.

Kindly complete and return the attached form – one for each child.

Thank You.
