

# 3J and 3H Autumn Newsletter

## Welcome to Year 3!

We are so excited to see you all and hope that you are looking forward to learning, in Year 3.

### Staff

3J's teachers are Miss. James and Mrs. Richardson. Miss. James will be in class four days per week and Mrs. Richardson will be in class on Wednesday's.

3H's teachers are Mr. Hedderley, with Mrs. Harvey teaching Wednesday mornings. The Teaching Assistants in 3J and 3H are Mrs Fox and Mrs Kaur. We are all so happy to be back and are looking forward to working with your children.

### Reading

Your child loves reading with you, so please encourage them at home and remember to bring all books back to school, in book bags. In Key Stage 2, children are asked to complete a weekly book review, to show their understanding of the text they have read.

### Learning

In the Autumn half term, the Year 3 curriculum will consist of: Reading, Writing, Maths, Science, Geography, French and Computing. We will also have two PE lessons each week.

Our PE lessons are on Wednesday and Friday. Children should have their kit in school each day, as PE days may change and we are unable to give out spare kit.

### Homework

Homework will consist of reading their reading books, spellings and practise on TTRS. Homework sheets will be sent home every Friday. In order to reduce paper correspondence, if you want to show any homework your child has completed, please email [year3@grendon.bham.sch.uk](mailto:year3@grendon.bham.sch.uk). This is where you can also contact class teachers, if you need to ask anything.

### Timings

Please remember that school is running a soft start. Children may come into the classroom from 8.40am. The bell will ring at 8.50am. Please note, the children are considered late after 8.50am.

Children are to be collected at 3.20pm. Hopefully, you are now familiar with entrance and exit routes. Thank you.

### Don't forget...

Please remember to bring these things into school every day.

- Your book bag, reading book and book review book
- A water bottle (labelled)
- A healthy snack for break
- Glasses if needed
- Inhaler if needed
- Lunch and a separate drink (if you are not having school lunches)
