

6B and 6N

Spring Newsletter

Welcome back! We hope that you have all had a lovely Christmas break and that the children are ready to learn.

Curriculum

During the first half of the Spring Term, the children will be cooking in DT, learning how to produce wire sculptures and will be working on digital literacy in Computing. After the half term break, the children will be learning about the Battle of Britain in History and they will learn about British music. The children will continue to learn Maths, English and Science during curriculum time in preparation for SATs.

Parent Access Clinic

On Tuesday 23rd January, we are inviting you to attend our Parent Access Clinic which will provide information about the KS2 SATs that the children will sit in May. The session will start at 9am and will offer tips and advice on how to support your children during this important time. There will also be an opportunity to work alongside your children.

RAF Cosford

Tuesday 27th February

As part of our History topic linked to The Battle of Britain, the children will be visiting the RAF Cosford Museum. Letters detailing this trip will be given out in January.

PE

This half term, Year 6 will have PE on a Wednesday and Thursday. Please provide your child with the correct PE kit and make sure it has your child's name on it.

Maths Groups

Starting from this half term, children will be taught Maths in different groups by either Mrs Ridley, Mr Bache or Mr Norris. This is to help prepare the children for their SATS tests.

Homework

The homework the children will be given will increase in preparation for SATs. This will consist of reading, maths, spellings and grammar. The homework will help the children in their next stages of learning and it is therefore important that it is completed on time.

SATs Tests

They will take place between Monday 13th May and Thursday 16th May. More information will follow about these and how you can help prepare your child.
