

Year Six Information about Chocolate Chip events

Our school vision states **WE CAN** provide the knowledge and skills to embrace learning through an academic curriculum providing effective structure and opportunities in order that our children have the keys to unlock their futures and believe **WE CAN**.

This is why we offer a programme of 'chocolate chip' events which enhance academic learning, provide memorable experiences for children and support pupils' wellbeing.

For every year a child spends at Grendon, they will be offered:

- ✧ An **Educational Visit** where children will travel by coach off site and take part in an experience you would not be offered as a member of the public,
- ✧ An **Expert Led Workshop** where a visiting expert will lead exciting learning in school bringing expertise or resources that we do not have access to in school,
- ✧ and a **Parent Share Session** where parents will be invited into school to find out what children have been learning in a subject.

To enable these events to go ahead, we have to ask families to make a contribution to cover the costs. We do not profit from the programme and work hard to keep the costs as low as we can and give you as much notice as possible. If insufficient funds are received from parents then the experiences will have to be cancelled.

Payment plans or reduced payment agreements are available. Please speak to us in confidence if this is something you need.

For Year 6 the planned activities for 2024-25 are
