

EYFS

'The study of Geography is about more than just memorising places on a map It's about understanding the complexity of our world, appreciating the diversity of cultures that exists across continents. And in the end, it's about using all that knowledge to bridge divides and bring people together.'
Barak Obama

Who Can Help Me?
Children will explore themselves and their family. They will think about different people who help them and will represent their ideas using art.

Where Am I?
Children will explore maps and different places. They will explore the school grounds by going on a bear hunt

Year One

Investigating my Locality
Children will use their understanding of human and physical features and maps to communicate what their 'ideal' local area would look like in the form of a map with a key.

- 🔍 EYFS UW Where am I?
- 📍 Y1 Maths Position direction and movement
- 📅 Y1 History Past and Present

Our World
Children will find out about the world and some of the different countries. They will use music as a medium for exploration.

⚠️ Parent Share Session Build a Town

Countries of the United Kingdom
Children will use their understanding of locations around the UK to present a factual report on an area of the UK

- 🔍 EYFS UW Our World
- 📍 Y1 Geography My locality
- ⚠️ Homework Task

Human and Physical Features

Fieldwork

Year Two

The Weather
Children will use their understanding of seasons and daily weather patterns and hot and cold locations to independently predict what a countries weather will be like according to its location

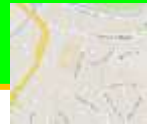

- 🔍 Y1 Geography: The United Kingdom
- 📍 Y2 Science Living Things and their habitats
- 📅 Y1 Science Seasons
- ⚠️ Homework Task

Kenya
Children will use their understanding of geographical similarities and differences to compare two places using human and physical geography and communicate their findings.

- 🔍 EYFS UW Our World
- 📍 Y2 Geography The weather
- 📅 Y2 Science animals and their habitats

Year Three

A Local Area Study
Children will use fieldwork skills to carry out a geographical investigation into the local area. They will communicate their findings in an appropriate manner.

- 🔍 Y1 Geography Investigating My Locality
- 📍 Y2 Geography The Weather
- 🔍 EYFS UW Where am I?
- 📅 Y3 Maths Angles/turns

Year Four

A UK Study
To understand human and physical geography in the UK and compare the similarities and differences.

- Y1 Geography The UK.
- Homework Task

A European Study: Investigating Scandinavia
Children will apply their knowledge and skills to an independent geographical investigation comparing a region of the UK to Scandinavia and communicate their findings in an appropriate manner.

- Y2 Geography The Weather
- Y4 Maths Statistics
- Homework Task

Natural Disasters
Children will apply their knowledge and skills to an independent geographical investigation into a natural disaster in Birmingham and communicate their findings in an appropriate manner.

- Parent Share Session: Earthquakes and Volcanoes
- Y4 Art Mixed Media
- Y3 Science Rocks

Year Six

Investigating North America
Children will apply their knowledge and skills to an independent geographical investigation comparing a region of the UK to California and communicate their findings in an appropriate manner.

- Y5 Geography South America
- Y4 Geography Natural Disasters
- Y5 Geography Rivers
- Homework Task

Investigating Brazil
Children will apply their knowledge and skills to an independent geographical investigation comparing a region of the UK (Birmingham) to a region of South America (Rio de Janeiro)

- Y4 Geography Scandinavia
- Y5 Geography Rivers
- Y5 History Maya
- Y4- History – Industrial Birmingham
- Y4- Music – South America

Investigating Rivers
Children will apply their knowledge and skills to an independent geographical investigation comparing the River Thames and River Nile and communicate their findings in an appropriate manner.

- Educational Visit: Forge Farm River Study
- Y4 Geography: A European Study - Scandinavia
- Y4- Science- states of matter
- Y3 History Ancient Egypt
- Homework Task

Year Five

The Future

Natural Resources
Children will apply their knowledge and skills to an independent geographical investigation about Fairtrade to answer the question: Should we pay more for our products?

Continuing Geography education at KS3

Career paths in

- travel
- environmental management
- teaching
- geology

Cultural capital of people and places and a sense of place in the world.
