# Welcome Back Year 4!

## What Are We Learning

### About?

Welcome back children and parents. We hope you all had a good holiday period and are looking forward to the term ahead.

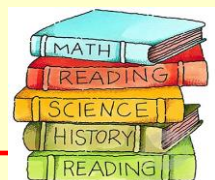

Apart from our core lessons, this term we will be focusing on DT, Music and Computing. Our DT topic this half-term will involve the children making their own fruit crumble. Homework for the half term will focus on DT and details will be uploaded on teams.

On Thursday 23rd January we will be holding a Parents Meeting at 9.am. The focus will be on the children's upcoming Multiplication Tables Check (MTC). We hope to see you there!

After February half-term, on Thursday 20<sup>th</sup> March 2025, we will look forward to an expert lead workshop with a coach/player from The Birmingham Rockets. A reminder that the voluntary contribution for this is £6 and is already live on School Money.

Please continue to contact us at [year4@grendon.bham.sch.uk](mailto:year4@grendon.bham.sch.uk) if there are any questions or to arrange a meeting.

## When is PE?

Year 4 will have their Swimming lessons during the first half-term, with 4G on Tuesdays and 4H on Fridays.

After half-term, we will be continuing our PE lessons on Tuesdays and Fridays and PE kit should be as follows:

- White t-shirt
- Royal blue shorts or black shorts (jogging bottoms if the weather is cold).
- Black or white pumps

## What is Year 4's Homework?

Weekly homework will continue to consist of MyMaths activities, spellings to learn and reading. As you will know, your child will also have received all their username and password for Times Tables Rockstars and for teams, where they will continue to find their spellings and topic homework. We look forward to seeing their continued progress throughout the year.

Additionally, during this half-term, children will be completing a DT project based on the work we are doing in school. You can find more information about this on their teams' site.

Please ensure that Home Reading Books are in school every day.

Kind regards,

Mrs Godfrey, Mrs Rodgers and Mrs. Suthers  
(4G)

Mr Hedderley, Mr. Goodman and Mrs. Kaur  
(4H).
