

Governor Vacancies at Grendon

Could you be part of shaping the future of Grendon?

Do you want to ensure that every child at Grendon has the best possible start in life?

Are you passionate about education and making a difference to the community?

We are looking for a committed and enthusiastic parent, relative, friend or other member of the community to join our Governing Board.

We welcome applications from people of all backgrounds. Training can be provided, it is not necessary to have any particular skill set. It is more important to show commitment, enthusiasm and to be able to work collaboratively as part of a team. You would need to be able to attend approximately 7 meetings during the school year, alongside occasional school visits and training.

If you are interested, we'd love to hear from you. We can explain more about the role and time commitment needed. For more information or an informal chat, please contact our school office on enquiry@grendon.bham.sch.uk or 0121 4742460 or speak to Mrs Ridley our Headteacher or Mrs Rainford our Office Manager.

Join our Governing Board and show that together WE CAN!
