

Yardley Wood Baptist Charitable Company

Charity number: 1145815

Company number: 07736396

07.11.2025

Dear Andrew,

Please pass on a huge “thank you” to the pupils, families and staff of Grendon Primary School, for your generous Harvest collection. We were astonished both by the quantity of food and by the quality and range of the food items you donated. These supplies are already making a huge difference to our shoppers! We strive to stock our shop with all that is necessary to make up a varied and healthy diet, and your support has gone a long way in helping us achieve this.

We are especially grateful to the children involved in this offering. Learning to share and to think through the issues related to food poverty at a young age will stand you in good stead for the future. You are a sign of hope for our wider communities, especially at a time in which unity and care for each other is so important.

At Yardley Wood Pantry we have 146 members, with an average of 80 shoppers a week, shopping for around 224 household members, many of whom are children. Shoppers spend £5 for a weekly shop that has an average value of around £27. Support from within our local community makes a huge difference – not only in keeping our shelves stocked, but also in boosting our morale through this valuable partnership.

Warm regards,

Mark Ord

Acting Pantry Manager
