6th February 2026

Dear Parents

Junior Leader Day - Internet Safety Day

Our Junior Leaders have been working hard preparing for their next Junior Leader Day on Tuesday 10th February. We are all looking forward to their assembly at the start of the day. There is nothing you need to do or provide for this day and children will come to school in their uniform as usual.

Our theme for the day is Artificial Intelligence. The question that children will consider will be 'How safe is AI for me?' and children will learn at an age appropriate level about the benefits, but also the dangers, that are associated with AI. This is a really topical discussion and a really important one. We will share with you what children have found out during the day - remember to follow us on Facebook if you haven't already.

DT Homework

We are loving all of the photos and videos that are being sent in showing the amazing projects that you are getting involved in at home as part of DT homework this half term. Thank you so much for your support with this.

It has been lovely to celebrate the diversity of dishes from different cultures and countries that are important to our families. We know that this is one of the things that makes Grendon great!

Attendance

As ever, we continue to do all we can to ensure that all of our children get their right to education, as another one of Grendon's Goals. We know that the impact of absence on children's mental health and well-being is significant.

We totally understand that there are occasions when children are too ill to come to school. However, if there are other barriers to children's attendance, we are able to offer help and support. We want to do this in order to avoid your child becoming persistently absent (when their attendance is 90% or below). By that point, we have a duty to provide more formal support and engage other non-school based professionals in this support.

Please remember that any medical appointments made in school time do count as an absence and if your child arrives late, after 9.20am, we have a legal duty to record this as an absence as well.

My thanks for your support with this.

Book Fayre

Just a reminder that the Book Fayre will be visiting us between 24th - 27th February. We know how important reading for pleasure is and want to encourage this as much as possible. Children will visit with their classes during the week and it will be open from 3.10pm - 3.30pm each evening. Please come and browse the books available in the KS1 hall. Any purchases will be cashless. You will need a mobile phone and not credit/debit cards. Remember that any purchase you make really does help school as we get a percentage of the total sale back in books for children to use in their classrooms.

Gardening - Seed Sale

Mrs Beedon and Mrs Fox who work with Year 4 children during the year in our school garden, will also be holding a seed sale on Tuesday 24th February from 3.10pm - 3.30pm. You will need cash for this - a maximum of 50p. Please try to bring change if you can.

Best wishes
Mrs Ridley
