

6N and 6B

Summer Newsletter

Welcome back! We hope that you have all had a restful Easter break and are ready for your exciting final term at Grendon!

Curriculum

This term, our Writing lessons will focus on news reports and fables. We will focus particularly on using more advanced punctuation such as semi-colons, dashes and brackets.

In our Reading lessons, work will focus on improving their stamina to read longer passages and to infer information from different parts of the text. These skills are great to develop better comprehension.

In Maths, we will begin by consolidating our knowledge in preparation for their SATs tests. After the SATs, we look at time and timetables and we apply all our knowledge to a range of problems and scenarios.

There are two units in Science for the Summer Term. We start by learning about the circulatory system and then after half term, we focus on healthy living.

Alongside these core subjects, children will continue to learn French and PE weekly. In Summer B, we will resume swimming lessons at Cocks Moors Leisure Centre. Additionally, in D.T. we will be designing programmable buggies. In Geography, the focus will be natural resources and learning how to make a film in Computing.

Excitingly, children will also be taking part in the Fiver Challenge, where they will be given a £5 loan in order to plan and set up their own business! Any profit will be their own! More details about this will follow closer to the time.

SATs

The Key Stage 2 tests are timetabled from **Monday 11th May to Thursday 14th May 2026**.

It is really important that your child has a good breakfast and that they are in school on time. All the tests will be conducted in the morning.

Monday 11th May

English, grammar, punctuation and spelling papers 1 and 2.

Tuesday 12th May

English reading

Wednesday 13th May

Mathematics papers 1 and 2

Thursday 14th May

Mathematics paper 3

We appreciate that all children approach tests differently and we will ensure that children feel confident, supported and safe throughout.

Parent Share

On Tuesday 23rd June we will be hosting a Parent Share Workshop. We will be sharing our films that we have scripted, recorded and edited as part of our Computing lessons. This session will start at 9:15am.

The Year 6 Leavers Assembly will take place on **Tuesday 14th July at 9:15am**.

The Leavers Disco will take place on **Wednesday 15th July 6pm-8pm**.

Don't forget you can contact us on the Year 6 email:
