House Day and Reception Graduation

Dear Parents and Carers,

As we come to the end of another successful year at Grendon, it is time to start thinking about our House Cup Winners!

On **Tuesday July 7th**, children will be celebrating House Day with lots of fun and games as they try to pick up the last points available for this academic year.

We would encourage all children to wear clothes that match the colour of their houses for the day. As a reminder that is:

During the day, we will be taking a 'Yearbook' photo of all the children in each house group. This will appear on the website and our Facebook page, so please ensure your child has permission to appear in those photos if you would like them to be included.

Reception Graduation

We will also be holding our annual Reception Graduation! This will double as a 'Sorting Ceremony' for children to be placed in their Houses. **Children in Reception should come in school uniform** as this looks great for their Graduation pictures and they don't know their houses in advance. Please note, the House they teamed up with for Sports Day is **not** necessarily their House.

Reception families are welcome to attend the Graduation Ceremony which will take place in the KS2 Hall at **9.00am on Tuesday July 7th**.

Will it be Boulton, Cadbury, Lewis or Malala who win the 2026 Cup? We can't wait to find out!

Thank you for your ongoing support,

Mrs. Ridley
