

Autumn

Year One

Parent Meeting

PSHE
Making Friends: Playing and Learning Together

PE
Basketball
Dance

Music: All About Me
Children will listen to and perform pop songs about friendship.

Parent Information Meeting

Phonics

PSHE
Mental Health and Wellbeing

PE
Football
Gymnastics

Computing: Computer Science
Moving & Clicking

Children will learn that programs execute by following clear instructions, understand that programs respond to inputs to do different things and learn to combine start and input events to create more advanced apps and programs using precise instructions.

Welcome to Year 1

Science:
Animals including Humans
Children will explore the question 'What animals will we find in our local environment?' and will make sensible predictions, identifying and naming the animals they find.
Educational Visit: All Things Wild

Geography: My Locality
Children will use their understanding of human and physical features and maps, to communicate what their 'ideal' local area would look like in the form of a map with a key.

Art: Drawing: People
Children will learn how to draw people.
Homework Project

Science: The 5 Senses
Children will gain knowledge of the human body and senses to be able to describe how they use their senses, identifying which body parts help them.

Religious Education
• Inclusion, Identify and Belonging
• Being Thankful
• Listening to others
• Expressing joy

History: Past & Present
Changes within living memory
Children will gain an overview of a time period and be able to communicate the answer to the question: *Would you prefer to live in the past or the present?*

Music: Under the Sea
Children will create music to represent life under the sea.

PE
Basketball
Gymnastics

PSHE
Safety at home

Art: Painting: Pop Art
Children will create an original art work in the Pop Art style.

PE
Hockey
Dance
Expert Led Workshop: Birmingham Royal Ballet Dance Track Auditions

PSHE
Celebrating me, you and our families

Spring

Geography: The United Kingdom
Children will use their understanding of locations around the UK to present a factual report on an area of the UK.
Homework Project

RE
• Remembering Roots
• Hope & Vision
• Curiosity & knowledge
• Being truthful

Science: Plants
Children will make informed decisions about what they will find and then record by producing a simple map.

Computing: Digital Literacy
Real World vs Online World
Children will make a poster or video about how to stay safe and behave online.

DT: Cooking: Pizza
Children will produce their own mini pizza.
Homework Project

Religious Education
• Being fair & just
• Being accountable
• Courage & confidence
• Loyalty

Science: Everyday Materials
Children will investigate and describe which materials will be best for a purpose (making an umbrella).

Summer

Science: Trees
Children will be able to name the key parts of trees and compare and contrast a variety of species.
Homework Project

Music: Fairy Tales
Children will listen to a classical 'symphonic fairy tale' called 'Peter and the Wolf' and will learn about how the music is created.

Art: Sculpture: Clay People
Children will create a clay person inspired by the work of artists Antony Gormley and Henri

Computing: Information Technology
Making a Story
Children will use publishing software to present a story.

Science: The 4 Seasons
Children will learn about seasonal changes and will be able to describe the differences in seasons throughout the year.

DT: Construction
A Moving Picture
Children will evaluate moving picture books, explore how to make a range of mechanisms and will design, produce and evaluate their own

Parent Share Session

PSHE
Being Healthy

PE
Tennis
Athletics

History: Explorers
Children will gain an overview of a time period and be able to communicate the answer to the question: *Who do you think is the most important explorer, Columbus or Armstrong?*

PSHE
Showing kindness to ourselves and others

PE
Cricket
Athletics
