Children will gain skills and knowledge to be able to research and present information on an animal species of their choosing, referring to its characteristics and classification group.

Homework Project

PE
Athletics
OAA

PSHE
Developing Our AI Literacy

French:
Les Vêtements
Clothes

Art: Painting Self Portraits
Children will paint a self-portrait that captures individual personality and experiences in the style of Freida Kahlo.

PE
Gymnastics
Basketball

PSHE
Drug Education: Assessing Risk and Managing Influences

Parent Information Meeting

KS2 SATS Tests

Spring

History: The Battle of Britain

Children will gain an overview of the time period and be able to communicate a coherent chronological narrative to answer; **Winston Churchill famously said about the Battle of Britain, "Never in the field of human conflict was so much owed by so many to so few." Do you agree? How would the settlement of Britain have changed if the war had not been won?**

Educational Visit: RAF Cosford.

Music: WW2 Songs

Children will learn to sing in melody and a counter-melody by singing the White Cliffs of Dover.

Religious Education

- Expressing joy
- Appreciating beauty
- Curiosity & knowledge
- Being reflective & self-critical

Computing: Digital Literacy
Digital Citizenship

Children will record a video about how to deal with cyberbullying and how to be a good digital citizen.

DT: Cooking & Nutrition: Burgers
Children will produce their own healthy beef or chickpea burger.

Homework Project

Religious Education

- Remembering roots
- Courage & confidence
- Responding to suffering
- Being merciful & forgiving

Science: Evolution & Inheritance

Children will gain skills and knowledge to clarify the concepts of evolution and inheritance, to describe their own creature and how it has advantageously adapted itself.

Art: Sculpture
Figures in clay & foil
Children will create their own clay sculpture inspired by the work of artists.

PSHE
Changes in Puberty and (optional) Sex Education

PE
Athletics

Science: Animals including Humans
Children will acquire the knowledge and skills to script and perform an advertisement to persuade someone about healthy lifestyle choices, drawing on the scientific concepts taught throughout the unit.

PSHE
Looking to The Future

PE
Swimming

Summer

DT: Construction: Controlling a Product

Children will use programming skills to control a product they have produced.

Music: Film Music
Children will explore film music and compose their own music to accompany Wallace and Gromit.

French:
Le Weekend
Hobbies
Homework Project

Parent Share Session

Computing: Information Technology
Making a Film

Children will create a short film
Parent Share Session: Film Premiere

Geography:
Natural Resources & Trade
Children will apply their knowledge and skills to an independent geographical investigation about Fairtrade to answer the question 'Should we pay more for our products?'

Grendon Primary
