

4G and 4L Autumn Newsletter

Welcome to Year 4!

We are so excited to see you all and hope that you are looking forward to learning in Year 4.

Staff

4G's teachers are Mrs. Godfrey and Mrs. Rodgers. Mrs. Godfrey will be in class from Monday to Thursday and Mrs. Rodgers will be in class on Monday afternoons and Fridays.

4L's teacher is Miss Locke with Mr. Goodman teaching Monday mornings. The Teaching Assistants in 4G and 4L are Mrs. Barshan and Mrs. Suthers. We are all so happy to be back and are looking forward to working with your children.

Reading

Your child loves reading with you, so please encourage them at home and remember to bring all books back to school in book bags. In Key Stage 2, children are asked to complete a weekly book review to show their understanding of the text they have read.

Learning

In the Autumn term, the Year 4 curriculum will consist of: Reading, Writing, Maths, Science, History, French and Computing. We will also have two PE lessons each week.

Our PE lessons are on Wednesdays and Thursdays. Children should have their kit in school each day as PE days may change and we are unable to give out spare items of clothing.

Homework

Homework will consist of reading their reading books, spellings, TTRS, My Maths and their book review. Spellings will be posted on Teams every Friday. In order to reduce paper correspondence, if you want to show any homework your child has completed, please email year4@grendon.bham.sch.uk. This is where you can also contact class teachers should you need to ask anything.

Timings

Please remember that school is running a soft start.

Children may come into the classroom from 8.40am. The bell will ring at 8.50am. Please note, the children are considered late after 8.50am. Children are to be collected at 3.20pm. Hopefully, you are now familiar with the entrance and exit routes. Thank you.

Don't forget...

Please remember to bring these things into school every day.

- Your book bag, reading book and book review book
- A water bottle (labelled)
- A healthy snack for break
- Glasses if needed
- Inhaler if needed
- Lunch and a separate drink (if you are not having school lunches)
