

# Our Vision

At Grendon, we believe in supporting every child to be the best they can be.

...provide the knowledge and skills to unlock learning through

a pastoral curriculum removing barriers and developing strength of character

an academic curriculum providing effective structure and opportunity

in order that all of our children have the keys to embrace their futures and believe...

To do this, we recognise that a close partnership between school, parents and children is essential. Please help by reading, discussing and then signing our Covid-19 Agreement and returning it to school.
