Teaching assistant: Ms Caro

Vital equipment for school:

- Book bags
- Water bottle
- PE kits (including pumps)

PE takes place on Monday and Friday

- Glasses if needed
- Inhalers if needed
- Healthy snack for break

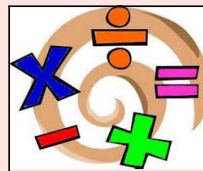

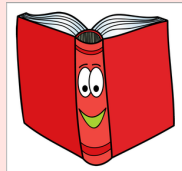

# Lessons

At present we are focusing on Reading, Writing and Maths. PSHE and PE are also being taught.

We hope to be introducing other areas of the curriculum in due course.

## Homework

### Reading

Children will come home with new reading books every week. Please take the time to read with your child and encourage them to fill in their reviews (yellow book) and sign. Please return books weekly as they belong to sets and are needed for other children.

### Maths

My Maths homework is set each week. Please ensure your child completes the tasks set. User names and passwords have been stapled to your child's yellow book review. Also support your child with learning their times tables.

### Spelling

Weekly spellings are sent home and tested on Fridays.

## Home Learning

Recently your child was given a folder to take home to use in case of any school closure. You were also given a letter explaining what to do.

As in the previous lockdown, children are directed to carry out daily lessons on the Oak National Academy website. The red exercise book is to be used for these lessons.

## Contact

Remember to look on our website to find the most up-to-date information. Also check the Year 3 class page.

You can contact the Year 3 staff by emailing us at [year3@grendon.bham.sch.uk](mailto:year3@grendon.bham.sch.uk)
